PLANNING – INSPECTIONS – ENGINEERING DERIN CAMPBELL, CHIEF ENGINEER

STAN SHAWVER, DIRECTOR

TO: Boone County Commission, Media & Others
FROM: Keith Austin, Chief Construction Inspector
DATE: 8/26/2015
EVENT: Boone County Onyx Surface Seal

FOR IMMEDIATE RELEASE

Weather permitting Boone County Resource Management, through contractor Musselman & Hall Contractors, LLC will continue our Onyx Surface Seal preservation treatment. The sealing treatment for this list of roads will begin at about 7:00 am each day and end at approximately 7:00 pm each day Wednesday, August 26th through Friday, August 28th 2015. No parking will be allowed on the road during work hours, and signs will be posted prior. Any vehicles parked on the street after the designated time will be towed at the owner's expense.

Work will be performed ½ width or one side of the road at a time. Required curing time is decided by the weather conditions and will range from 30 minutes to 2 hours, depending on the humidity. In the case of rain expect the following list to be pushed back a day.

Please use caution in all work zones and find an alternate route when deemed necessary. If you have any questions or concerns, please contact Boone County Resource Management at 573-886-4480.

Thank you for your cooperation as we make improvements for the residents and visitors of Boone County.
