PUBLIC ANNOUNCEMENT & PRESS RELEASE

TO: Boone County Commission, Media & Others

FROM: Keith Austin, Chief Road Construction Inspector

DATE: September 28, 2015

EVENT: Barry Road Asphalt Overlay Project

FOR IMMEDIATE RELEASE

Weather Permitting APAC of Missouri on behalf of Boone County Resource Management, will be performing roadway repairs on Barry Road. Work is scheduled to begin on Wednesday, September 30, 2015 and will be performed between the hours of 7:00 am - 7:00 pm. Construction is expected to last approximately two weeks. An asphalt overlay will be performed after repairs are complete with dates to be determined. The area of work will be between Tomlin Hill Road and Blue Bird Lane. No parking will be allowed on the road during work hours. Any vehicles parked on the street after the designated time will be towed at the owner's expense. The Road will remain open, but may be reduced to 1 lane of traffic and could include short spans of full closure.

Please use caution in all construction/work zones, and find an alternate route when deemed necessary. Thank you for your cooperation as we improve the roads you travel.
