DERIN CAMPBELL, PE; CHIEF ENGINEER

PUBLIC ANNOUNCEMENT & PRESS RELEASE

TO: Boone County Commission, Media & Others

FROM: Keith Austin, Chief Road Inspector

DATE: June 2, 2017

EVENT: Spring Striping for Boone County Roads

FOR IMMEDIATE RELEASE

Boone County Resource Management, through contractor America's Parking Remarking, will conduct our bi-annual spring road striping June 5, through June 7, 2017, weather permitting. The striping will begin at about 7:00 am each day and end at around 7:00 pm each day.

The striping operation consists of 2 vehicles; the paint truck that sprays the paint trailed approximately 300' by a follow truck. It is important to not get between the 2 vehicles as their distance allows for the paint to dry. Any motorist who pulls in between the vehicles will risk getting paint on their vehicle; and assumes full responsibility by doing so.

Roads will remain open, but traffic will be slowed. For a full list of roads to be striped please see below.

Please use caution in the work zone, and find an alternate route when deemed necessary. If you have any questions or concerns, please contact Boone County Resource Management at 573-886-4480. Thank you for patience as we make improvement for the residents and visitors of Boone County.
