**FROM: Mark Donoho, Road Inspector, Boone County Resource Management**

**DATE: September 22, 2017**

**EVENT: Asphalt Overlay Project – Bristol Court & Pickford Place, Georgetown Subdivision**

### FOR IMMEDIATE RELEASE

Weather Permitting Christensen Construction, on behalf of Boone County Resource Management, will begin an asphalt overlay on Bristol Court and Pickford Place in the Georgetown Subdivision. Work will begin on Monday, September 25, and will last up to two weeks between the hours of 7:00 am and 7:00 pm. The roads will remain open but may be reduced to one lane at times. Access to driveways may be limited at times and no parking will be allowed on the streets during construction. “No Parking” signs will be posted and any vehicles remaining on these roads at the beginning of construction will be towed at the owner’s expense.

Please use caution in all construction/work zones, and find an alternate route when deemed necessary. Thank you for your cooperation as we improve the roads you travel.
