**FROM:** Keith Austin, Chief Road Inspector

**DATE:** June 8, 2018

**EVENT:** Prairie Meadows Estates Subdivision Asphalt Overlay Project

### FOR IMMEDIATE RELEASE

Weather Permitting Capital Paving and Construction LLC, on behalf of Boone County Resource Management, will begin an asphalt overlay in the Prairie Meadows Estates Subdivision. Streets affected will be East Prairie Circle, East Meadow Lark Lane, and East Schooner Road. Work will begin on Tuesday, June 12, 2018 and is expected to last approximately five working days between the hours of 7:00 am and 7:00 pm. The roads will remain open but may be reduced to one lane at times. Motorists should avoid driving through fresh oil and asphalt pavement and to use caution in all work zones.

No parking will be allowed on the streets during working hours so this work can be performed.

Please note that weather conditions can affect the start and completion dates of construction. Thank you for your cooperation as we improve the roads you travel.
