PUBLIC ANNOUNCEMENT & PRESS RELEASE

TO: Boone County Commission, Media & Others

FROM: Keith Austin, Chief Road Inspector

DATE: October 15, 2018

EVENT: Fall Striping for Boone County Roads

FOR IMMEDIATE RELEASE

Boone County Resource Management, through contractor America's Parking Remarketing, will conduct our bi-annual fall road striping beginning October 16 through October 18, 2018, weather permitting. The striping will begin at about 7:00 am each day and end at around 7:00 pm each day.

The striping operation consists of 2 vehicles; the paint truck that sprays the paint trailed approximately 300' by a follow truck. It is important to not get between the 2 vehicles as their distance allows for the paint to dry. Any motorist who pulls in between the vehicles will risk getting paint on their vehicle; and assumes full responsibility by doing so.

Roads will remain open, but traffic will be slowed. For a full list of roads to be striped please see below.

Please use caution in the work zone, and find an alternate route when deemed necessary. If you have any questions or concerns, please contact Boone County Resource Management at 573-886-4480. Thank you for patience as we make improvement for the residents and visitors of Boone County.

2018 Fall Striping

Route	Description
