

TO BE ADDED IN ATTACHMENT A OF THE STORMWATER MAINTENANCE AGREEMENT IF PRESERVATION OF NATURAL VEGETATION/FOREST IS BEING USED AS A STORMWATER TREATMENT BMP:

(Remove this instruction box for final product)

BMP: Preservation of Natural Vegetation/Forest

Preservation will be utilized as a stormwater treatment BMP. Figure 1 in this Attachment A delineates the preservation area of ___ acres on this tract. Any clearing, grading, construction, excavation or tree removal within the preservation area will require approval from the Boone County Resource Management Department.

No Inspection and Maintenance Schedule, Maintenance Procedures or Inspection Forms are required for the Preservation stormwater BMP on this tract.

Figure 1 should be an 8 ½” x 11” sheet with margins meeting the requirements of the Boone County Recorder and must include the following information:

- Title (Figure 1 – Preservation Area Display)
- North Arrow and Scale
- Tract Boundary outline and acreage
- Public Roads within and/or adjacent to the tract
- Preservation Area outline and acreage
- Stream Buffer Outer Limits outline and acreage (if any)
